

**Friday 16/02/2024, 14.00-15.00 (EET)**

Translation and Interpreting in Public Services (PSIT)

- Speaker: **Carmen Pena-Díaz, Professor, Alcalá University (Spain)**
- Title: «What is Public Services Interpreting and Translation?»
- Summary: Public service interpreting and translation (PSIT) is a professional activity which aims to facilitate communication between public services users who cannot communicate in the language of the host country and the professionals who work there, for example, in police stations, immigration offices, health centers, schools, courts and so on.
